January - TIME TO RENEW YOUR MEMBERSHIP

Renewing your membership annually is key to the financial success of the Cedar Key Arts Center and its mission. Please renew your membership during our annual membership drive and consider showing your support of the Arts Center by becoming a Friend (\$50), Patron (\$250) or Benefactor (\$1000) of the Arts Center.

Membership forms and return envelopes are enclosed and can be mailed in or dropped off at the Cedar Keyhole 10 am – 5 pm daily. Several volunteer opportunities are included on the form so, if you are looking for ways to become more involved, let us know!

Finally, don’t forget to join us at the Annual Membership Meeting planned for Saturday, February 1 at noon (after the regular library talk). A light lunch and beverages will be served and we promise that the meeting will be fun, short and engaging. See you there!

25th Anniversary Exhibits sparks Memories, Smiles & and a few Tears

On the evening of November 16, the Arts Center welcomed an enthusiastic crowd for its 25th Anniversary Celebration including eight past presidents & Jean Skaife, long-time friend of founder Cathie Christie. The historical exhibit featured the Cedar Keyhole as well as the Arts Center in the Main Gallery, and the diverse and creative artwork of Cathie Christie in the Members' Gallery. Thanks to all who joined us at the opening.

CHILDREN'S ART PROGRAM BENEFIT DINNER "Night at the Museum"

Pick up your tickets for the 2020 Children's Art Program (CAP) Benefit Dinner, Thursday, January 16 before it's too late. You don't want to miss the artistic transformation of the Community Center by the decorating committee and the delicious dinner catered by local restaurants. Doors open at 5:15 pm.

There will be a silent auction of artwork donated by local artists and a fun raffle. This event is the primary fundraiser for the Summer Art Program, Shark Sewing Club & other Children's Art Programs during the year.

Tickets (\$30) are available from Board Members, at the Cedar Keyhole, and at the Post Office on Saturday mornings until they sell out. If you can't come, donations are always welcome!

Buildings and Grounds Updates

We hope that you have time to stop by and enjoy the Sculpture Garden which is in tip-top shape thanks to the hard work of Sharon Kay, Joe Hand, Roger McDaniels, and Bill Campbell. As part of the mission review process last spring, which identified the need to continue support for Art in Public Places, the Arts Center is planning to create an exhibit space for on loan sculptures, that would be periodically changed.
