Message from the President

Dear Members: This has been a year of repairing, restoring, and reimagining. Thanks to the Keyhole members, repairs to the downstairs allowed them to move back to their space in February. May brought another round of capital expenditures to the building to complete the repairs needed. **In 2026, we launch a capital campaign to raise funds to restore the elevator to provide access for all.**

Programs, workshops and Old Florida Celebration of the Arts were all reimagined to serve the Arts Center mission, artists and the Cedar Key community. We return to a full slate of workshops, continuation of new programs and a two-day Old Florida Celebration of the Arts in 2026.

All of these efforts have been made possible by you. As a member, volunteer and ardent supporter of the Arts and the Cedar Key Arts Center, we have been able to adapt and continue. THANK YOU!

-Mary Prescott
